25. Which of the following statements comes closer to your view regarding a Governor's executive powers? Statement A. I believe unchecked executive authority is a threat to the political system in New York State. Our previous governor, is an example of how unchecked authority tends to corrupt leaders. Statement B. COVID-19 and variants are a game changer and require bold and swift action from the Governor who should not be bogged down by the legislative process

25. Which of the following statements comes closer to your view regarding a Governor's executive powers? Statement A. I believe unchecked executive authority is a threat to the political system in New York State. Our previous governor, is an example of how unchecked authority tends to corrupt leaders. Statement B. COVID-19 and variants are a game changer and require bold and swift action from the Governor who should not be bogged down by the legislative process
